

SEASON COMING TO AN END

To all members of the Wanneroo Modcrosse Club.

Our last game will be on the Saturday 27 August. Please keep your sticks and shirts after the game to bring along to our end of season fun day/AGM and trophy day on Saturday 24 September. This day will include parents vs kids games, bouncy castles for the younger kids, sausage sizzle and various other lacrosse skills competitions for the older kids.

Following that we will hold an AGM and then present trophies to all our players. Shirts and sticks will be returned after the trophy presentation so remember to bring a spare shirt.

The reason for the delay for the trophy day, is that many of our under 13s modcrosse players, have finals commitments with under 13s lacrosse finals during September. Some coaches and umpires have the same commitments.

Thanks in advance for your understanding.

Darren—Club President

AGM—COMMITTEE POSITIONS

At the AGM all committee positions will be declared vacant. The club is run by the committee, without the committee there is no club.

Please speak to any of the current committee members if you are interested in being part of the committee in 2012.

Positions that require nominations are:

President - position has been held by Darren Sugars for the last 3 years. Not re-standing for election.

Vice President - currently held by Glenn Farr.

Secretary - currently held by Steve Mellor.

Treasurer - currently held by Justin Harding. Not re-standing for election.

Registrar - currently not filled.

Canteen Manager - Sheryn Harding. Not re-standing for election.

Please assist the club to continue to grow by offering your valuable time to continue to support the sport that your kids love playing. The club has not become what it has without the hard work and dedication of the committee over the last few years.

CONGRATULATIONS

Congratulations to Fionn Keenan, Isaac Mellor, Jandre Needham and Declan Pittway who were selected to play in the Northern Thunder under 15s lacrosse team, which will be held in Perth this year.

Each of these boys played or still play in our modcrosse competition. I think it would be the first time that 4 under 13s boys from the same club, have been selected for under 15s state lacrosse.

I am certain that there will be more girls and boys from our club in the following years. The skill level of the kids at our club is improving every year and these Thunder selections are proof that we, as a club, are on the right track.
